

CAN MOLD BE MAKING ME SICK?

Are you or your children, chronically sick? Have you been diagnosed with asthma, chronic fatigue or an auto-immune disorder? Mold may be the underlying cause of your health problems. Schools, churches and damp areas of your home may be sources of exposure to mold and mold spores.

Join Dr. Jennifer Sims DC as she discusses how mold may be effecting your immune system.

When: May 28th, 2019

Time: 6:30pm- 8:00 pm
